

## ICT

**RH boasts a wealth of experience within the ICT sector. Our clients include: Intel, Netgear and Fujitsu Siemens. With this wealth of experience RH is able to offer clients effective advertising solutions.**

**To demonstrate our track record within this sector, a short selection of creative examples from previous relevant campaigns is presented over the following pages.**

**Should you wish to find out more please contact Laura Gould on: 01392 219 797 or alternatively email on: [info@rhads.co.uk](mailto:info@rhads.co.uk).**

## Netgear

**RELAX, UNWIRE.**

Get online and share, anywhere in your home. Affordable, reliable and so easy to use, NETGEAR™ lets you surf, email and share files, photos and music from any PC in the house, anywhere in your home. There's no wiring, no cables and no need for complex... you just plug it into your PC and you're done. NETGEAR's clear setup wizard automatically makes the best connection to your broadband Internet service. Then, just walk down to your kitchen, your main conference room, the kitchen, your garden, even to bed.

Available from all good electrical retailers and computer stores. Find out more at [www.netgear.co.uk/home](http://www.netgear.co.uk/home)
